

CITY OF ACWORTH

This data was collected by @WeThePlugTho to the best of our ability. Some information may be incorrect due to lack of transparency from your city.

WHAT'S ON YOUR BILL?

Base fee	\$18	
Average rate per kWh	\$0.14	
Late fee	\$0	
Disconnection fee	\$0	
Reconnection fee	\$25	
Senior discount?	NO	
Payment arrangement?	YES	

Your base fee and average rate per kWh are higher than other cities. Your utility does not provide a senior discount, which is unusual.

Base fee: what your utility charges each month before you even turn the lights on

Rate per kWh : how much your utility charges for each unit of electricity used. On average, households in Georgia use 1,121 kWh per month.

Your electricity utility serves **5,970 customers** and is controlled by your **City Council**. Talk to them about making changes to your utility.

An energy burden is the percentage of your income spent on your electricity. In your county, **13.7% of households have a high energy burden** (they spend 6% or more of income on their electricity).

An energy audit is an inspection that measures how much energy your house is wasting because of inefficiency. **Your city utility provides free energy audits.**

People with serious illnesses legally can't be disconnected if it will worsen their illness. They must notify their utility. See **Georgia Rule 515-3-2-.03** for details.

We spoke with a City of Acworth customer who said the city was good at working with them to pay their high electricity bills.
